The European organization of local Government CIOs

Major Cities of Europe: *About us*

MAJOR CITIES OF EUROPE
IT USERS GROUP

We are **THE ONLY INDEPENDENT COMMUNITY** of
European Local Government CIOs and City managers
We leverage ICT to **INNOVATE** within the Public Administration
to **SERVE** and **ENGAGE** our Constituents

- ✓ We are early adopters sharing our experiences
- ✓ We have existed for 33 years
- ✓ Our members are innovative Local Governments
- ✓ Our members cover most countries from Europe and also other geographies...
- ✓ We have partnerships with Academia
- ✓ We have partnerships with major Global IT companies

The European organization of local Government CIOs

To provide unique insights into our actual experiences and support the continuous progress of our members

To be **THE leading** European Local Government organization for **CIOs** and **City Mgrs.**

To be a **CATALYST** for Voluntary Exchange of Visions, Strategies and Experiences

To boost our community with **INNOVATIVE MEMBERS**

To be committed to **EU ICT INITIATIVES**

To enable an **OPEN COMMUNITY** for our members

To partner with leading **ACADEMIA** and **ICT PROVIDERS**

Improve
Local Government
Performance
and Innovation

The European organization of local Government CIOs
